

Environmental Policy

Rutledge AV is committed to the care of our environment and to the continual improvement of our environmental management performance. We aim to conduct our business in a way that promotes sustainable use of natural resources, the prevention of pollution and environmental damage and the protection of our natural and constructed environments.

To meet these commitments Rutledge AV will:

- ❑ Comply with all relevant environmental legislation and regulations, and other requirements that are placed on us, or to which we voluntary subscribe;
- ❑ Apply processes for understanding the actual and potential environmental impacts of our activities, including consideration of the life cycle perspective and climate change implications;
- ❑ Implement strategies and actions for mitigating adverse environmental impacts and promoting beneficial environmental impacts associated with our products and services;
- ❑ Monitor, measure, analyse and evaluate our environmental performance in order to identify opportunities for improved environmental management performance;
- ❑ Gives preference to conducting business with suppliers who also have a commitment to responsible environmental management;
- ❑ Endeavour to reuse or recycle all materials and equipment where possible;
- ❑ Ensure all staff and subcontractors are aware of this Policy and their roles and responsibilities in contributing to its achievement;
- ❑ Communicate and consult with our employees and stakeholders and engage with those who we may influence to improve our environmental management performance and that of others with whom we interact, and
- ❑ Maintain a certified Environmental Management System in accordance to the requirements of the AS/NZS ISO 14001:2015 Management Standard

Consistent with our environmental policy, measurable objectives and targets are set, taking into consideration our significant environmental aspects and are recorded in OP REG 018 WHSEQ objectives and targets register.

Compliance with this Policy is mandatory for all employees and contractors and is a condition of employment and contract.
